

Dear Potential Intern,

Thank you for your interest in becoming a student intern for the 2019 NOW Kids Camp, June 26 - 29, 2019 at Victory Camp in Alvin, TX. We believe God is going to do amazing things in the lives of the children attending, and you will be a big part of His plan.

You'll have the opportunity to be trained in a variety of roles and teams and make eternal impact in the lives of hundreds of people! You will be a vital part of each service and between-services activities. This will be a once in a lifetime opportunity for spiritual growth and skill development!

We know that there will be some children who have never accepted Jesus as their Lord and Savior that are coming to camp, and we're thrilled to have the opportunity to minister the gospel to them. Others, who have accepted Christ but haven't furthered their relationship with Him, will be there too. And yet others who have a great relationship with Christ, but haven't been baptized with the power of the Holy Spirit will also be in attendance. No matter how young they are in their relationship with Christ, it is vitally important that they realize and walk in the knowledge of how very valuable they are. Our theme for this year is "Under Construction". Our goal is to provide an environment where each and every student can realize their potential and take hold of the great and mighty works that God has begun in their lives.

The first night will be high-energy and praise-centered with an introduction to our theme. The second night will be high-energy with an expansion of worship. The theme will be further developed with an emphasis on assuring the opportunity for students to welcome Jesus into their hearts. The last night of camp we are going to have more worship-centered music as we prepare an atmosphere for children to welcome the peace and power of the Holy Spirit into their lives.

Between the evening services we will have a TON of fun in planned activities, games and so much more. Each morning will begin with a morning service designed to kick-off the day in a high energy way. The rest of the day will be activities mingled with ministry.

Turn in your application, get your endorsement letter and keep your grades up. We want you to be blessed by the amazing kids and ministry of NOW Kids Camp 2019.

**The deadline is May 15, 2019. Please note: you will NOT be considered to be an intern if you do not submit all of the correct information by the deadline.**
